Welcome to this recently renovated Point Breeze end-of-row townhome which still shines like new. With gleaming oak floors, timeless kitchen and baths, and of course the fiberglass roof deck, this home checks all of the boxes. The main level features a bright and wide-open living/dining area with a convenient coat closet and a powder room. There's plenty of space for a full dining area in addition to the casual stainless steel breakfast bar. The L-shaped kitchen is complete with Samsung appliances, white Shaker-style cabinets, granite countertops, subway tile backsplash and French doors that lead out the spacious brick patio. Upstairs there are two large bedrooms, both with amazing natural light and excellent closet space with custom organizers. The hall bath is a true oasis featuring a floating double vanity, an extra-wide walk-in shower and separate soaking tub. From this level, head up to the roof deck, with panoramic city views for miles. And don't worry if the weather doesn't allow for rooftop hangouts, additional living space is available in the finished basement which features tile flooring, recessed lighting and high ceilings. There's also a bonus storage area and a full-size washer and dryer in the lower level. From this location, you're within walking distance to Rittenhouse Square, UPenn and CHOP. Although staying local means you get to enjoy trendy neighborhood hot spots like Dock Street Brewery, Incañable, Tuck Barre & Yoga, and American Sardinia Bar.
